

An Unforgettable Photo

The participants in the Fifth National Meeting of Mothers held in December 2023 still cherish in their minds the historic moment when they had the honour of having a significant photo session with the respected Comrade **Kim Jong Un**.

That day, **Kim Jong Un** hoped that all mothers, who have displayed the mental and moral traits of the Korean women best in the world while invariably taking the road of devotion for their families and younger generations and for the prosperity and development of the country, cherishing deep in mind the dearest and sacred call, mothers, would enjoy good health and happiness.

The whole country is overflowing with the mothers' gratitude to **Kim Jong Un** who places them at the meridian of glory and happiness.
